**Your Birthdate: November 15**

With a birthday on the 15th of any month, you are apt to have really strong attachments to home, family and domestic scene. The 1 and 5 equaling 6, provide the sort of energy that makes you an excellent parent or teacher. You are very responsible and capable.

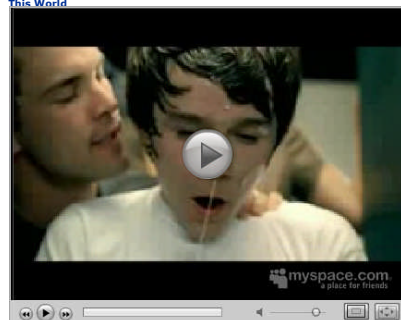

This is an attractive and an attracting influence. You like harmony in your environment and strive to maintain it. You tend to learn by observation rather than study and research.

You may like to cook, but you probably don't follow recipes. This number shows artistic leanings and would certainly support an talents that may be otherwise in your makeup. You're a very generous and giving person, but perhaps a bit stubborn in ways.
